HONEY'S CORNER

Wisconsin Credit Union League Leadership Institute

The League's Leadership Institute is designed to help emerging and mid-level managers build their leadership skills to more effectively prepare for succession planning and promotion. WSC is a proud sponsor of the WCUL Leadership Institute program. Along with monetary support, WSC sends a study packet at the start of the program and a congratulatory gift upon graduating. Congrats to the 19 Graduates of the 2023 Leadership Institute!

Supporting a Good Cause!

On Friday, August 4, 2023, Meadowland Credit Union held its annual "Eat for Education" Day. 100% of donations went directly to their scholarship fund.

Do you have a fundraiser coming up? Let us know! We would love to feature your event in the Backroom Buzz!
